Ofroe for Barbers

In today's app-based world, there are plenty of apps for barbers to choose from. Unfortunately, most of these apps are not built for barbers specifically designed for the convenience of barbers,stylists and their clients.

Easy 24/7 Scheduling

Clients easily book appointments at their convenience 24/7 thanks to our online and always-on scheduling system!

Simple & Quick Payment

Clients pay through the app and barbers instantly cash out any time of day, making everything effortless.

No Show Protection

Cancellations and no-shows happen to us all but with a reliable system to ensure barbers are paid for their time.

Peak Time Pricing

Charge clients higher rates on your busier days,times and holidays with our peak time pricing feature.

Complete Flexibility

Complete pricing and schedule flexibility. Set your own pricing, breaks, days off, peak times, and cancellation policy.

No Monthly Subscriptions

Free to download for barbers and clients. No monthly subscriptions, setup costs or hardware.

Ofroe Barber App Features

We've packed a big punch into a little app. Get the idea by Ofroe below.

SIMPLE DESIGN

Simplicity is our core value. Unlike other barber/client apps, we offer easy to use scheduling, a pre-populated list of services and times and an intuitive dashboard.

SECURITY

We understand how important it is to have stiff lid on our app, that's why we've partnered with a top-rated client payment and data service providers.

CLIENT RELATIONS

Keep track of all your clients in the app, as well as a record of all their appointments and services. Never be easily identify a plenty client at once.

BARBER PERFORMANCE

Our review system allows clients to rate each individual barber and rate the overall barbershop. This ensures your ratings aren't affected by other barbers in the shop.

Licensed Barbers/Stylists Only!

Our app is designed specifically for licensed barbers and stylists that don't have enough time or resources to manage a complicated booking system. Ofroe is a simple and fun way to find customers, manage schedules and more.

Furthermore, we focus our app as a platform for professionals. We DO NOT allow hairstylists, massage therapists, etc.

We're proud to say that we're the only app focused on helping licensed barbers manage and grow their business even more.
